ment. According to a common rumor, the claim sharks will not be involved alone, but it will be shown that government officials, some of them ranking high in the Pension Bureau service, have been seriously implicated in the fraud. Perhaps the exposure of official corruption in the Pension Office will constitute the most interesting and important part of the tries.

Pension Office will constitute the most interesting and important part of the tries.

The uniform time system, which is
shortly to be put in operation in this country, is a subject concerning which the most
dense ignorance prevails with the generality of people. The change has been
announced in astronomical terms, but astronomy is a theme of which the average
American knows as little as he does of the
Contile tomora or of the Esyntian hisse

LATEST accounts from Afghanistan show that the country is in complete anarchy. The exchequer is without fugils, the troops are demoralized, and the Ameer is a mere plaything in the hands of the Ghilsais.

It is much to be regretted that an intended enforcement of the gambling act was last night attended by an unnecessary show of force and violence. We are quite sure there is nothing in the code Ever Held in the State-Awards in the that justifies the use of pistols in such cases. There was no resistance to the officers, no one was found gambling, and no arrests were made vet several shots were fired by the sheriff's deputies. All this was, perhaps, unlawful; certainly it was totally unnecessary, as the police The Best Exhibition of the Sort Ever Held in the State. were on duty and were quite equal to the | Special to the Appeal. supprespression of gambling, or any other

This created much amusethe expression of their total strength, ment There is nothing like a show of hands to strengthen the popular conviction of the will as well as wish of a political party to \$450. Entries: Sportsman, Bagdad and crown a vigorous campaign with victory.
On Tuesday this should be exemplified in all the States by the polling of the full the States by the state

The resolutions adopted by the meeting of the negro citizens of Memphis, held on Friday night, are pervaded by good temper and a spirit that must invite upon the part of the white people of Tenthe one grievance laid at their door. The act of the Legislature especially complained of, and which declares that common concluded with a bicycle race between carriers and tavern-keepers may be the Mme. Louisa Armindo and T. W. Eck, judges of who they shall permit to be their guests, does not and will not prevent either of these classes of persons from extending their facilities and accommodations to negroes. Passed at a time when it was the declared purpose of the Repub-Court, has done its duty, and should be repealed by the next Legislature. It was passed to neutralize the civil rights bill, and since that has been declared null and void, there is no longer any necessity for it. Its repeal would not prevent common carriers or tavern-keepers from managing their own affairs as may seem best to them, nor would it confer any rights upon the negroes of the State that they do not now enjoy. The decision of the Supreme Court complained

on will be found in another column, falls carded as Judge Greer's extra-judicial con-Toda in which specific instructions are even as to the duties of magistrates. whom the Criminal Court judge hav be numbered, just as the Governor officer and magistrate in the State. But atay and usually does come to know transgressors against the law-that is, through the grand jury, the legitimate channel of The judge, if he has any knowledge or suspicion of law-breaking, can give what he knows to the grand jury in his charge, and thus, proceeding in the cordinary way, hring the law-breakers to justice. The people are used to this method of procedure, and do not understand the extraordinary one of summoning citizens, or charging police officers who are in the active performance of their duties, under responsition to remit the tax of ifference of the floor the floor the floor the floor the floor than are not immediately within the pale of the Criminal Court. Besides, there has been no resistance offered to the one resistance offered to the one resistance of flered to the conformation of the law, by gamblers or others; on ment of the law, by gamblers or others; on the contrary, there has been a quiet and prompt obedience by the gamblers. There of is therefore no occasion for instructing the citizens of Shelby county as if an extraordinary emergency was upon its peo- lieves ple, each to watch the other and inform the Criminal Court of certain suspicions they If there is one character more despicable than another, it is that of the informer. The people, mindful of this, delegate the authority and power of police supervision and detective work to regularly constituted officers. These ought to be, and so far as we know here in Memphis have always been, equal to the duties devolving upon them. The judge of the Criminal Court, whom the Appeal respects, and will cordially and earnestly sustain in the performance of his duties, has the grand jury, a vigilant character more despicable than another, it is that of the informer. The people, mindful of this, delegate the authority and power of police supervision and detective work to regularly constituted officers. These ought to be, and so far as we know here in Memphis have always been, equal to the duties devolving upon them. The judge of the Criminal Court, whom the Appeal respects, and will cordially and earnestly sustain in the performance of his duttes, has the grand jury, a vigilant chertific and deputies, and a paid prosecuting attorney at his command. These ought to be, and are sufficient. may come to entertain one of the other.
